poor	★★☆☆☆
inadequate	★☆☆☆☆

How do you rate touristik aktuell's specials/key topics?

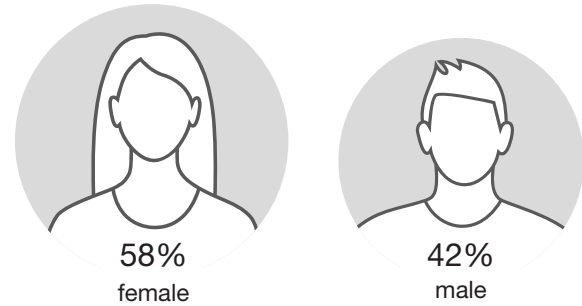

Result: The survey shows that touristik aktuell's readers are made up mostly of intensive readers, and those who read only a selected range of topics. The number of readers sporadically skipping through pages is rather low, which is also confirmed by an average reading duration of **23 minutes per reader/issue**.

touristik aktuell is often read in circulation – every copy lists an average of about **2,7 readers**.

In terms of topicality, reading ease, usefulness of industry and background information, professional competence, and credibility, touristik aktuell was rated **“very good”**.

The professional value of key topics and specials was rated (very) high by readers.
